VENUE HIRE

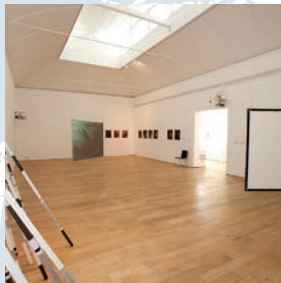

Newlyn Art Gallery has a stunning seaside location with two newly designed garden areas offering great opportunities to extend your event to the outdoors.

Our beautiful and airy café is fully glazed, with panoramic views over Mount's Bay and Newlyn Harbour.

The building can host up to 160 people, the individual spaces having a capacity of between 30-50 people.

The Exchange offers urban spaces in award-winning architecture within walking distance from Penzance bus and train stations. The glass façade spectacularly comes alive at night.

The main gallery is the biggest space across our two venues and can accommodate up to 200 people. The Exchange can hold up to 300 people in total.

The Engine Room holds up to 35 people. It includes access to a sink room and can be darkened for projections via automatic blinds.

WHO WE ARE

Newlyn Art Gallery & The Exchange brings the very best of national and international contemporary art to audiences in the South West. We also show work by some of the best artists currently working in the region and run an inspirational learning and participation programme for children and young adults.

Newlyn Art Gallery & The Exchange has two unique, contrasting venues available for your events. Whilst Newlyn Art Gallery is situated in a historical John Passmore

Edwards building, The Exchange retains the industrial feel of the original telephone exchange it occupies. Each venue has its own fully licensed bar and we can provide hospitality to suit your needs. Our dedicated and friendly staff will ensure the effective managing of your booking.

Please email bettina.wenzel@newlynartgallery.co.uk or call **01736 363715** to discuss your event requirements.
