ENVIRONMENTAL ACTION PLAN

NEWLYN ART GALLERY & THE EXCHANGE

Goal	Aims	Objectives	Timeframe	Lead	Addressing which ACE goals and priorities and which Let's Create! Investment Principles
We are taking a lead role in strengthening the sector	We will make public our commitment to carbon reduction and sustainability, encourage other businesses to, and learning from their achievements .	Include carbon reduction plans, targets and achievements on our website and in our social media by 2022.	March 2022	Visitor Experience Officers	Environmental Responsibility
		We will continue to support and promote Plastic Free businesses this coming year. For example, when we have our Winter Market at the gallery, we will insist that all packaging for products is plastic free.	February 2022	Visitor Experience Officers	Environmental Responsibility

Goal	Aims	Objectives	Timeframe	Lead	Addressing which ACE goals and priorities and which Let's Create! Investment Principles
		We will move to using a refill service for all cleaning products across the business. Aim to move over to refills by 2022.	March 2022	Visitor Experience Officers	Environmental Responsibility

Goal	Aims	Objectives	Timeframe	Lead	Addressing which ACE goals and priorities
We are improving our financial position	We will reduce our carbon emissions by 5kgCO2e across both sites this year	We will reduce our use of electricity across both sites aiming for a 10% reduction by 2022	March 2022	Visitor Experience Officers	Environmental Responsibility
		We'll increase our landfill diversion by aiming to recycle all waste produced by the gallery.	March 2022	Visitor Experience Officers	Environmental Responsibility
		We will research and cost reducing our carbon footprint by replacing out gas boilers with greener alternatives (heat pumps or electric boilers) reporting recommendations to Board by March 2022	March 2022	Visitor Experience Officers	Environmental Responsibility

		We will redesign the entrance door at The Exchange to make it draft-proof by January 2022, supporting our ambition to reduce energy usage.	Jan 2022	Visitor Experience Officers	Environmental Responsibility
