

SUPPORT US

Photo by Steve Tanner

All donations made to the gallery before the end of August are doubled by Catalyst: Evolve.

- £10 in the donation box becomes £20
- £25 Supporter's subscription becomes £50
- £250 Patron's subscription becomes a mighty £500 towards supporting great art for all.

Your support in the last year has allowed us to take international work into the community and to represent 250 artists, over 200 of them based in Cornwall and 180 of them young artists at school, college, or in a community group.

Of 55,000 visitors, 9% came from disadvantaged neighbourhoods and 5,000 people, including single parents, young artists, and older people living alone, took part in creative activity with us. Your help, from gift aid to legacies, subscriptions and sponsorship, has allowed us to be more ambitious, to welcome more people and to be more firmly placed at the heart of the community.

Please consider becoming a Gallery Supporter, Patron, Volunteer or Business Sponsor. Details available from both our venues, on our website www.newlynartgallery.co.uk, or call 01736 363715.

SUMMER
2019

Cover image: Still from *Re-enactment for a Future Scenario no.2: Cape Romano*, by Simon Faithfull

FATHOM

SIMON FAITHFULL

15 JUN – 5 OCT

Still from *Going Nowhere 2*

A solo exhibition of film and photographic work by Berlin-based artist Simon Faithfull.

A new film work, *Re-enactment for a Future Scenario no.2: Cape Romano*, was shot in the water-bound ruins of a futuristic beach house off the coast of Florida. Following two hurricanes, the remaining domes are visible above water but are now 50m from the shore, highlighting the continuing shifting of boundaries.

Other works present lone figures in unlikely landscapes; a man striding slowly but purposefully over the seabed, and a silver-suited figure who time and again boards a burning plane, surviving in a landscape consumed by another element, fire.

EUROPE AFTER THE RAIN

22 JUN – 5 OCT

Detail, *Plant Orbiter*, Nick Laessing

An international group exhibition, curated by Simon Faithfull, presents dystopian terrains and possible landscapes to come.

Taking its title from Max Ernst's 1942 surrealist painting *Europe After the Rain*, the exhibition explores a future environment where things have evolved, or devolved, into a strange new state. Though out of this catastrophe, there may be optimism.

Presenting painting, sculpture and film installation, exhibiting artists will include, among others, Karin Bos, Nick Laessing, Rebecca Partridge, Peggy Atherton, Larry Achiampong, Benny Nemerofsky Ramsay and Melanie Manchot.
