

Following my talk on home education and my photographic project exploring alternative education I am sharing some resources that are available to use for learning from home. Some are available all the time including out of lockdown, some have been set up for during lockdown, and some are limited time offerings.

My children range in age from 9 – 18 years, so do check the suitability of them for your own children, but most should be absolutely fine.

Most of them are arts related but there are a few others in there as well.

If anyone in Cornwall is interested in home-education, alternative education, or continuing to home educate after schools go back, I am more than happy for anyone to email as myself and another home educator are setting up monthly zoom meetings where parents can chat over home education issues, and ask advice and connect. My email is [info@bambino-art.co.uk](mailto:info@bambino-art.co.uk)
