

AV HIRE PACKAGES

NEWLYN
ART GALLERY
& THE
EXCHANGE

Upgrade your exhibition or event with our AV kit hires. From projectors to sound systems, we can provide quality audiovisual equipment, with support from our team.

The ability to hire a high quality kit, for a modest fee from Newlyn Art Gallery & The Exchange was an invaluable resource for Od Arts Festival 2023. It made it possible to present an ambitious moving image programme in a way that would otherwise have been beyond the reach of an artist-led festival of this scale. What a great resource for artists and arts organisations in the South West!
