

AV HIRE PACKAGES

NEWLYN
ART GALLERY
& THE
EXCHANGE

Upgrade your exhibition or event with our AV kit hires. From projectors to sound systems, we can provide quality audiovisual equipment, with support from our team. If you need expertise to support your hires, check out our Digital Production Services.

The ability to hire a high quality kit, for a modest fee from Newlyn Art Gallery & The Exchange was an invaluable resource for Od Arts Festival 2023. It made it possible to present an ambitious moving image programme in a way that would otherwise have been beyond the reach of an artist-led festival of this scale.

What a great resource for artists and arts organisations in the South West!

Cat Bagg & Simon Lee Dicker, Od Arts Festival

T&Cs

We offer a 10% discount for returning customers.

Delivery of kit is charged at 45p/mile from The Exchange, Penzance.

Our rates for Digital Production Services include one round of amendments. If there are additional changes required that incur additional post-production time, these will be charged at cost, to be communicated and agreed in advance.

Please get in touch with any questions for our Digital Producer, Adam at adam.goodwin@newlynartgallery.co.uk

If you are hiring kit without a technician from Newlyn Art Gallery & The Exchange, you must insure the items for the sum listed in the green column.
